

Be There

© Gavin Atkins, 2009

I don't know what I'd do
without a friend like you; oh, so true!
Just knowing that you care,
and you don't even know
that you don't even need to be there.

No, you don't even need to be there.

I don't know what I'd be.
While I'm a music box, you are the key:
You turn and fill me up
and let the music play;
let everybody hear what you say...

but you never have to say you'll be there,
you never have to say you'll be there.

Is it nothing at all to you;
is every feeling too small to burden you?
In all the above,
just by sending your love, you are there for me...

and you don't even have to be there!

I'll find you in my dreams
and in my memories,
so even when you leave
you'll still be there.

I don't know where I'll go;
you've set me free you know
and shown me the way;
I'll follow it each day
though you may never see
'cause you don't even need to be there...

'cause you don't even need to be there...

I'll find you in my dreams
and in my memories,
so even when you leave
you'll still be there.

So even when you leave, you'll still be there.
Yes, even when you leave, you'll still be there.
So even when you leave, you'll still be there.

I don't know what I'd do
without a friend like you!
